

Bronya Norton

Centre Manager

Centre Partner Institution – University of Nottingham

Bronya is the Centre Manager for the Centre for Sport, Exercise and Osteoarthritis Research Versus Arthritis based in Nottingham. Bronya has a BSc (Hons) in Biology from the University of York and a PgDip in Health Services Research from the University of Nottingham.

She has worked for the University of Nottingham for over 18 years in a variety of roles: Research Associate, Student Administration, Research Project Management, Knowledge Transfer and Business Development.

Bronya joined the Centre in December 2013 and has strategic oversight of the Centre. She is responsible for the day to day management of the Centre and also for maintaining and developing networks within the Centre to increase levels of engagement with Institutions nationally and internationally.
